

2016 Commonwealth Woodstove Change-Out Program Old Stove Disposal Form

Project Completion Certification. The undersigned Stove Professional certifies for the Project indicated below that:

- The old stove replaced in the change-out is not EPA-certified and is eligible for replacement under the Program pursuant to the program requirements as outlined in the Program Manual, Participant’s Agreement, and Stove Professional Agreement;
- The new stove installed in the change-out is included in the list of Qualified Equipment, as outlined in the Program Manual; and
- The Project has been completed in accordance with all requirements in the Program Manual, Participant’s Agreement, and Stove Professional Agreement.

Stove Disposal Certification. The undersigned recycler and Participating Stove Professional each hereby certify for the Project indicated below that:

- The old stove replaced in the change-out has been or will be imminently rendered inoperable;
- The old stove replaced in the change-out has been or will be imminently recycled at the facility named below;
- The disposal of the old stove meets all the requirements listed in the Program Manual.

By signing below, I certify that the statements made on this Old Stove Disposal Form (the “Form”) are true and correct to the best of my knowledge. I hereby agree to and accept the statements on this Form, and agree to be bound by all the terms and conditions of the 2016 Commonwealth Woodstove Change-Out Program.
